Chief Louis Crossing
302 Yellowhead Highway, Kamloops

November 2024

Secondary (SW) Access

TRAFFIC NOTICE: UPCOMING CHANGE ON G&M ROAD

We want to inform our neighbours and customers about an upcoming adjustment to traffic patterns on G&M Road. Beginning **November 15**, the secondary access road to the Chief Louis Crossing complex will open, designated for **construction traffic only**.

As we prepare for the opening of the Petro-Canada station, construction vehicles will gradually transition to using this **Secondary (SW) access** for entering and exiting the complex. While this change aims to streamline traffic flow, there may be occasional exceptions for specific equipment deliveries or installations that require alternate access.

Safety Reminder:

- Traffic control personnel and signage will be in place as needed to ensure safe operations.
- Please adhere to posted speed limits in construction zones.

We appreciate your patience and cooperation during this transition as we work to improve access and operations at Chief Louis Crossing.

For questions regarding traffic change:

Kurt Deneault
Project Manager - Arrow
